

## citrus foaming milk cleanser

### what am I?

A sublime citrus foaming cleanser infused with grapefruit, lemon and mandarin essential oils, which are designed to enliven and cleanse your skin on a daily basis. The citrus essential oils provide mild antiseptic benefits ensuring your skin is clear of environmental pollutants. Indigenous Tazman Pepperberry provides anti-inflammatory and calming properties. This light cream cleanser maintains your skin's natural oils leaving your skin soft and supple.

### what are the benefits of using me?

- soothing and refreshing this cream cleanser will leave the skin soft and supple.
- cleanses without stripping or drying the skin
- removes light make-up and daily environmental build-up
- no oily residue

### who can use me?

- created for all skin types.

### how do you use me?

- emulsify with warm water. A small amount blended with warm water is all that is required to gently cleanse the skin of daily environmental pollutants, impurities and make-up.

### what am I made from?

Certified organic content: 70.5%

### key actives:

**Coconut:** Mild coconut derived surfactants allow the cleanser to mix and hold the debris that needs to be rinsed away.

**Tazman Pepperberry:** Sourced from the cold mountains of Tasmania for its anti-inflammatory effects.

**Grapefruit, Lemon and Mandarin essential oils:** Refreshing antiseptic and cleansing qualities. These oils provide a fresh citrus aroma to awaken the senses every time you cleanse.
